

Queensland Marine Training Services Course Information Sheet – Practical Vessel Handling

Practical Vessel Handling

Description

This course has been designed to provide a level of training for the recreational mariner above the mandatory Recreational Boat Drivers Licence requirements.

Who should do it?

Any boat owner or operator who wishes to further their skills and level of competence. Ideally the course should be undertaken onboard the candidates vessel with their regular crew in attendance. Queensland Marine Training Services can also offer training onboard our training vessel 'Azimuth'.

Entry Requirements

You must be 18 years of age and possess a Recreational Marine Drivers Licence (or equivalent).

Other Courses

Queensland Marine Training Services offers the following theory based courses to supplement the practical skills training:

- Coastal Navigation
- Marine Radio
- Safety and Sea Survival

Location

Brisbane, Gold Coast and South East Queensland.

Session Length and Fees

Each session is for a minimum of four hours – this maximises the amount of practical time spend vessel handling. The cost for the initial session is \$300 (incl. GST), additional time is priced at \$55 per hour (incl. GST) with a minimum of four hours.
